“I first heard Mr. Ikokwu speak about a decade ago and when I did, I knew he was a force to be reckoned with. The art of communication is not one that many have mastered. Ike has the ability to take rather complicated topics and break them up into bite-sized easily digestible content that invigorates, enlightens and gives you hope for a much brighter tomorrow. Should you have the opportunity to hear him speak, you won’t be disappointed by the depth and breadth of wisdom he shares in a loving, compassionate, yet engaging way.
